

Hello! This is Dorothy -

Satan hates the atoning work of the precious Blood of our Lord and Saviour, Jesus Christ.

1 Timothy 4 says -

1 Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils.

2 Speaking lies in hypocrisy; having their conscience seared with a hot iron.

I am reminded of a young mother, who was anticipating the birth of her first child. She was invited by a little church group of ladies who had put on a shower for her. As she sat there, somebody jumped up and decided they were going to do something that was “just for fun.” They put a pendulum over the mother, discerning, so they thought, whether this was going to be a boy or a girl. I remember talking with that lady years later about the satanic intrusion that had come in at that time. You say, “How ridiculous — just a little pendulum!” We do not realize how some of the strange things that we think of as “just fun” are literally hypocritical lies coming from Satan. He is deceiving our minds.

You know, you might be troubled by strange, satanic attacks around your life and not realize it. Perhaps you have tried, as a joke sometime, to read tea leaves or had them read. You went to a fortune teller or you even consulted cards when you had a very big decision to make. You went and dabbled in these things by going to see a medium and having her look in her crystal ball. You go through these dabblings and you think it is just kind of a part of a nothing thing and you think you can brush it off. Perhaps you have even been in the strongholds of seducing spirits. It could be through transcendental meditation. It could be through yoga or levitation, the moving up of objects, or telepathy, trying to send a little message over to somebody, or table tipping, or ouija boards, or witchcraft, or what is currently captivating our precious young people in the Western world — wizards — with the craze that is grabbing hold of them through this evil means of looking like a fun thing for children with Harry Potter. These are power trips that people go on, not realizing what it is doing to children, not realizing what it is doing to families.

We will not re-live this life again. Some people think we are going through this one life and then we will get through to another life and another life. Reincarnation is a part of the doctrine of many occult religions. It is the devil's lie. I want to take you to a Scripture that is a vital Scripture. **Hebrews 9: 27. It is appointed unto man once to**

die. . . - there is no more coming back to have another life - It is appointed unto man once to die . . . - therefore, you do not have to look at the tree and think you might be talking to a person who lived here in another life. . . . but after this the judgment. Do not be deceived by Satan by thinking all these spirits of ours are going out and coming out several times to end up the right type of person. You see, you and I were created in God's image. Our souls cannot be destroyed. Our bodies will be resurrected.

Romans 14:12 says - **So then every one of us shall give account of himself to God.** We have to give an account of what goes on in our bodies. **Leviticus 20: 26-27** says -

26 And ye shall be holy unto me:. . . - are you holy unto the Lord? . . . for I the Lord am holy, and have severed you from other people, that ye should be mine.

27 A man also or woman that hath a familiar spirit, or that of a wizard, shall surely be put to death . . . - and it goes on to say - their blood shall be upon them.

Do you understand that in your home, it could be through your very means of outside communication that you are receiving that which is not always coming as from the Lord? It is for you to ask the Spirit of God to give wisdom and discernment in what you receive, what you read, what you hear, what group you go with, what is going on, and

how you have been taken in by the bondage. The demonic bondage brings such terrible, terrible fears.

I love **James 4:7**, where it says to boldly confess your deliverance by faith and . . . **Resist the devil, and he will flee from you.**

Have you ever done that? Have you ever stood in Jesus Christ and said, *He is my Only hope, not only in this life, but for all eternity. He is my Lord. I am standing on Him, whatever people think, whatever is going on; I am standing with total reliance upon Him. And in the Name of the Lord Jesus, I resist every demonic power that tried to have infiltration into my life, in to my home, into my family. **And he will flee from you.***

Do you understand that you are a vital key to the situation where you are living by having your heart free from all these things that bind you, whatever they are? Do not be deceived by these demonic forces, but turn to the living God and say, *Lord Jesus, I receive You. You will be Lord of all. You are my All in all. I have everything in Christ Jesus.*

By His precious Blood. Amen.
