

Hello! This is Dorothy -

I want us, please, to turn to that extraordinary passage in **Ephesians, chapter 1** and I am going to read it to you from the Amplified.

19 And [so that you can know and understand] what is the immeasurable and unlimited and surpassing greatness of His power in and for us who believe, as demonstrated in the working of His mighty strength,

20 Which He exerted in Christ when He raised Him from the dead and seated Him at His [own] right hand in the heavenly [places],

21 Far above all rule and authority and power and dominion and every name that is named [above every title that can be conferred], not only in this age and in this world, but also in the age and the world which are to come:

22 And He has put all things under his feet and has appointed Him the universal and supreme Head of the church [a headship exercised throughout the church]. (Psalm 8:6.)

23 Which is His body, the fullness of Him Who fills all in all, [for in that body lives the full measure of Him Who makes everything complete, and Who fills everything everywhere with Himself].

Wow! What a Lord we have! You know, you have to understand that before we are in Christ, the prince of the power of the air was over us. We might not have seen him, but the demonic hold of the god (small g) of this world is binding and blinding and fooling us, but now, in Christ, we are going higher than that realm. In Christ, we are seated

together in heavenly places. So do you understand what a great salvation you have? It is awesome that we are in Christ! Awful things can happen day by day and we can be overwhelmed, but let us take on our rightful position in Christ. Let us understand what a revolution it is to read these verses and to enter into the experience of seeing what He has done and that, in Christ, that is where we are. We are above the devil and the demons. They have to submit to us in Christ. God even assigned angels to serve us and we have authority over demons if we understand positional truth.

I am not saying, “Go out and be silly and do all kinds of things.” I am saying, “Remember where you are in Christ.” Understand your position that you have been crucified with Christ; you have been co-buried with Christ; you have been co-raised with Christ; you have co-ascended with Christ; you are in Christ! When you understand that, despite all the lies and the projections of the enemy; all those attacks on your imagination, the sub-conscious and the unconscious, understand that in Christ, you can stand in victory! Demons will attack our emotions, but we have to remember that we have a divine solution: it is in the Word of God we take our stand. By His Spirit, we have amazing promises, personally, there for us from the Lord, Who loves us unconditionally and with unending love. He is not lining up all the things you did wrong yesterday and He is a bit upset with you today. He is not like a human father or a human mother; He loves us unconditionally. He is standing for us and protecting us, that because we are in Christ, even when all those accusations come from the enemy right in His presence, He is saying, “I love this child in Christ.”

So, do not condemn yourself this day. Make right those things which must be made right. Do not let anything hinder you from walking in the fullness of the Spirit. And,

remember, that Satan hates the grace of God. I love that phrase, **But the God of all grace.** Satan despises forgiveness, but the Lord loves to forgive. Satan rejects reconciliation; he refutes the principle of restoration. But - oh - in Christ Jesus, we are reconciled to God and we are restored! Satan is against the believer having peace. He does not want us to be able to execute the authority of God's love or the authority of a finished work provision by Jesus Christ.

What are you going to do? Are you going to tell the Lord right now, - *It is **not I, but Christ.** He is my life. It is not me working at victory; Christ has gotten us the victory !* Will you see it is from God's point of view that you are in Him and be that vessel available for His awesome plan in every tiny detail that in love He has planned for you and His glory's sake? And say, *Yes, Lord. I praise God that it is the God of all grace Who is in charge in my life. For His glory alone. Amen.*
