Module 2 - Task 6

CONCLUSION

A Kingdom man is a man who visibly demonstrates the comprehensive rule of God underneath the Lordship of Jesus Christ. In this module, we explored the Foundation of a Kingdom Man—accepting responsibility for everything that happens in your garden. God has given each man a garden to rule. Ruling it means that you have authority to cultivate and keep your garden. It means that you have authority to name things in your garden. But it also means that you take responsibility for everything in your garden. Your responsibility includes leading, providing, and protecting all who are within your domain.

Men, don't let these legal rights go unused. Bathe yourself in prayer. Seek God's guidance when it comes to ruling your world. Submit to Him, and allow Him to enter into your situations. When we do this, we will begin to see the influence and impact we can have on our personal life, our families, our churches, and our communities.
