Walk in the Light. 14.

"God who commanded light to shine out of darkness, has shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ" 2 Corinthians 4:6.

The moon was not designated to create light but to reflect light that is generated by the sun. For the believer, faith is the conductor that compassionately transmits the life and love from its Source in the Eternal Godhead to a world that is bound in darkness and sin.

"God is light and in Him is no darkness at all. If we say that we have fellowship with Him, and walk in darkness, we lie, and do not the truth: But if we ***walk in the light****, as He is in the light, we have fellowship one with another and the blood of Jesus Christ His Son cleanses us from all sin. ... if we confess our sins, He is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness"* 1 John 1:5-7, 9.

As a believer, am I a reflector of His Light, humbly transmitting the Love of the Lord Jesus to spiritually blinded peoples, living in a world of spiritual darkness?

When did I last clearly explain the gospel to another person which He brought across my path? Do I realize that God had planned the encounter for me to be His instrument of Love and Light? If not, am I willing to seek His cleansing and restoration to be His glorious Light reaching others?
