Why God's Judgement Will Fall. 106.

The womb of an expectant mother was designed by God to be a warm environment of love, nourishment, and protection. Parents do not make a baby but God does! *"**As thou knowest not what is the way of the Spirit, or how the bones do grow in the womb of her that is with child: even so thou knowest not the works of God Who maketh all**"* Ecclesiastes 11:5.

The Bible proclaims the sanctity of human life in the womb, but over 63 million babies have been aborted since 'Roe V Wade' in the States alone!

Such disregard for the sanctity of human life is an abomination. **The womb, designed by God for the protection of the baby, has become a battlefield where the baby has no means of defense**. And, such mass murder, cannot and will not continue without God's severe Judgement falling!

Also, with the alarming acceleration of pornography, child abuse, sexual promiscuity, corruption and exploitation in our lands, **God has given us a dire warning of the terrible doom that awaits every person who ignores His 'Light of Creation' and 'Light of Conscience' and rebels against God, refusing to repent of sin and to turn in repentance to the Risen Lord Jesus.**

*"But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, **shall have their part in the lake which burneth with fire and brimstone; which is the second death**"* Revelation 21:8.
